Former Minnesota State Representative

Jeremy Munson

will speak on the

Republican Liberty Caucus

Jeremy will speak about the RLC and other grassroots efforts to advance liberty and limited government in Minnesota and provide his summary of the current MN legislative session and DC political outlook. This will be followed by an open discussion and Q & A, providing an opportunity for the audience to inquire on topics that provide a look at what goes on 'behind the scenes' in St. Paul and the opportunities for the 2026 elections.

Jeremy Munson served three terms in the Minnesota House of Representatives representing Blue Earth, LeSueur, Watonwan and Waseca counties. Munson also ran in Minnesota's 1st Congressional District special election in 2022 to replace the late Jim Hagedorn where he received the endorsement of many notable conservative congressmen, including US Senators Rand Paul and Ted Cruz, along with US Representatives Jim Jordan, Thomas Massey, and Scott Perry and the support of the House Freedom Caucus. Jeremy Munson is the current chair of the Republican Liberty Caucus of Minnesota (RLCMN), an affiliate of the MN GOP. **The RLC takes a strong stand in defense of the principles protecting liberty: limited government, free markets, and representative government according to the Constitution.** Jeremy also serves on the boards of the Legislative Evaluation Assembly of MN (lea-mn-org) and Citizen Council for Health Freedom (cchfreedom.org). Jeremy lives on a farm with his wife, Kallie and two daughters outside Lake Crystal.
